
HOW TO KEEP YOUR KIDS FREE OF DRUGS.

Rule #5. Start Early.

Just as surely as you need to teach your kids not to play in the road, you need to teach them about the dangers of drugs. They'll very likely be exposed to drugs from kindergarten on. So say it early. Say it often. And match the message to your child's age. To learn more about how to talk with your kids about drugs, call for a free parent's handbook.
