
HOW TO KEEP
YOUR KIDS
FREE OF DRUGS.

Rule
#7.
Educate
Yourself.

It's not a matter of learning the latest street talk. It's a matter of learning why crack is so dangerous. That marijuana can often lead to hard drugs. That every illegal drug has the potential of causing catastrophic damage to your child. To learn more about drugs and how to talk with your kids about the subject, call for a free parent's handbook.
