HOW TO KEEP YOUR KIDS FREE OF DRUGS.

---

## Rule #3. Listen.

One of the biggest deterrents to drug use is talking with your kids about the subject. But don't do all the talking. Listen. Ask questions. Find out what they think. If you don't listen to them they won't talk to you, much less listen to you. To learn more about how to communicate with your kids about drugs, call for a free parent's handbook.
